EGYPT

AGGRESSIVE LUXURY MALE ATHLETIC FACILITY • CALIBRATED COMPOUND NETWORK

SHARK GYM represents Egypt's heaviest iron compound. Designed exclusively for male strength athletes, competitive bodybuilders, and powerlifters, the facility is engineered to eliminate commercial fitness compromises. Every square meter is strictly calibrated with competition-certified Olympic barbell platforms, precision Arsenal Strength and Eleiko selectorized machines, thermal infrared Finnish saunas, and ice-water plunge tubs. All compounds operate with 24/7 encrypted biometric keycard access across Greater Cairo and the Delta region.

9,400+ Active Athletes	**42+** Heavy Racks	**99.4%** Goal Success Rate	**24/7/365** Biometric Access

Compound Hub	Footprint & Floor Details	Calibrated Specialty Hardware	Operating Hours & Hotline
New Cairo Flagship North 90th St, 5th Settlement	2,400 m² across 3 levels Olympic main floor & cardio loft	16 Eleiko squat racks, calibrated competition plates, Finnish sauna & cold cryo plunge	**24/7 Biometric Entry** +20 102 334 9901
Maadi Iron Bunker Degla St 218, Road 9 Area	1,800 m² underground bunker Industrial raw lifting cellar	Chalk-allowed deadlift platforms, Texas power bars, heavy dumbbells up to 75 KG	**24/7 Biometric Entry** +20 102 334 9902
Tanta Delta Arena Al-Geish St, Stadium District	1,500 m² regional arena Delta strength flagship	Arsenal Strength iso-lateral leverage machines, Monolift station, InBody 770 suite	**06:00 AM – 02:00 AM** +20 102 334 9903

- **Certified Competition Platforms:** Solid oak Olympic drop zones with calibrated bumper plates, zero-slip chalk chalk stands, and Texas deadlift bars.
- **Iso-Lateral Muscle Isolation:** Arsenal Strength & Prime Fitness leverage machines with adjustable torque curves to match human force-velocity production.
- **Recovery Infrastructure:** Dedicated dry Finnish saunas (85°C) and sub-5°C continuous-filtration ice plunges for rapid systemic recovery and neuro-endocrine stimulation.
- **Clinical Diagnostics:** Medical-grade InBody 770 segmental body composition analyzers tracking intracellular hydration and visceral fat.

TRANSPARENT VALUE • OFFICIAL EGYPTIAN POUND (L.E) RATE CARD

Membership Tier	Monthly (L.E)	Quarterly (L.E) Save 15%	Inclusions & Privileges	Hub Access
PREDATOR PASS Standard Athlete	**850 L.E**	**2,165 L.E**	Single-hub access, locker room, steam sauna, heavy dumbbells up to 60kg, free parking	Single Hub Open Hours
APEX PRO ***BEST VALUE / FEATURED**	**1,500 L.E**	**3,825 L.E**	**All 3 Egyptian hubs**, 24/7 keycard, monthly InBody 770 scan, sauna & cold plunge, 15% supplement discount	**24/7 All Hubs**
GREAT WHITE VIP Executive VIP Tier	**2,800 L.E**	**7,140 L.E**	All hubs 24/7, 8 dedicated 1-on-1 trainer sessions/mo, private permanent locker, daily recovery shake, guest passes	**24/7 VIP Access**

Protocol Track	Duration & Intensity	Target Physiology	Equipment Utilization
Iron Hypertrophy Protocol	60-75 Min • Max Overload (RPE 9)	Chest, delts, back thickness, myofibrillar hypertrophy	Heavy barbells, Arsenal isolation cables, dumbbells
Apex Powerlifting Squad	90 Min • 1-3 Rep Max Effort	Posterior chain, CNS neural drive, Squat/Bench/Deadlift PRs	Eleiko competition benches, Texas power bars, chalk platforms
Metabolic Conditioning Rush	45 Min • Zone 4-5 Anaerobic	Anaerobic threshold, VO2 max, accelerated lipolysis	Heavy sleds, battle ropes, assault bikes, kettlebells
Gladiator Combat Strength	60 Min • Explosive Torque	Rotational kinetic chain, neck stability, grip crushing force	Sandbag complexes, landmines, heavy grip implements

Every prospective athlete is entitled to a **Complimentary 7-Day Unrestricted Athlete Pass** upon registration. Upon submitting your full athlete name and verified Egyptian mobile number (+20 1X XXXX XXXX), our centralized biometric server generates an encrypted QR pass token dispatched directly to your WhatsApp. Present the QR credential at the reception turnstile of New Cairo, Maadi, or Tanta to unlock instant access.
